

Application No. 09/055,744  
Amdt dated Oct. 11, 2005

4

**REMARKS**

Entry of the amended Figure 1 of drawings as indicated in the Advisory Action is gratefully acknowledged.

When reviewing the claims of the application in the course of preparation of an Appeal Brief in this case, certain typographical errors were noted in claims 1 and 7 which are sought to be corrected by this Amendment.

In particular, the word "bind" has been replaced by "binds" in claim 1 and the word "having" has been replaced by "has" in claim 7, to correct evident errors.

Entry of this Amendment after Final Action is requested, in that the claims thereby are placed in better condition for appeal.

Respectfully submitted,

Michael I. Stewart
